MARIÉ

Matching a racing hull with a classic design—stocked with a Steinway grand piano and antique weapons—this unique 180ft Vitters is designed to make beautiful music on the racecourse and off. *page 50*

TWIZZLE

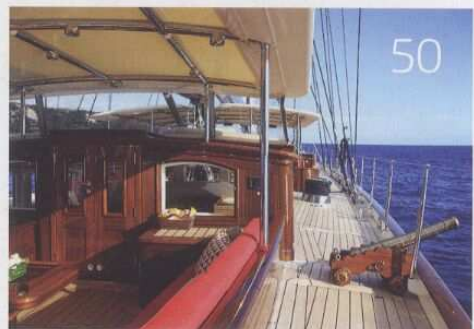

After dabbling with motor yachts, these globe-trotting owners experienced "mast-envy," which sent them to Royal Huisman for the perfect 189ft open flybridge sailing yacht. *page 60*

AZTECA

CRN's largest yacht to date makes waves by ingeniously blending indoor and outdoor spaces making this yacht seem even more expansive than her 236 feet. *page 70*

LIVIA

With a Hamptons beach house styling, this 98ft semi-custom Moonen couldn't be more different from her sisterships. *page 82*
