SPEND IT YACHTING

CRN ATLANTIE

With a distinctive look inspired by military ships, superyacht Atlantie boasts masculine square forms and sharp lines. Personally involved in the vessel's construction, the owner's input can be seen in many of the yacht's details, such as trapezoidal, polished-steel handrails that resemble and reflect light similar to a diamond. Though it may appear formidable at first glance, the ship is fitted out with extreme luxury and uncompromised comfort and style. The four decks focus on specific usage, with four VIP guest rooms with smoked oak, marble and custom-made furnishings on the lower deck; the lavish owner's suite and main salon with rosewood-accented furnishings, Gilles & Botter décor and an inset Tai Ping rug is on the main deck. The upper deck may be the biggest draw, with an "experiential" theme that showcases a chic lounge and a sundeck with a swimming pool that faces out to the sea ahead of the bow.

Year: 2015
Length: 54.8 m
Beam: 10.2 m
Draught: 3 m
Cruising speed: 14 kts
