F On cloud nine: CRN

Last but not least is the world premiere of the M/Y Cloud 9, a new launch from the innovative CRN shipyard that was presented for the first time at the Monaco Yacht Show. A clear highlight of the show, the 74-metre yacht, which sleeps 16 guests and up to 26 staff and crew, is a prime example of CRN's leadership in the bespoke design arena. A stunning home from home, the vessel features customisable interior and exterior spaces, a sleek profile and a flawless indoor-outdoor living environment arrangement. It's set to be one of the most impressive vessels on the waves in 2018. ⓘ
